

**OPENING RITUAL FOR
YINGADI ABORIGINAL CORPORATION**

PLACE OURSELVES IN COUNTRY

This is the Way We Do Business – Respect for all present -

For The Land – For Those Who Have Gone Before

Leaf is to be picked from wherever we are meeting – Soil from Mungo to be available

All present are asked to go to the Soil – “walk in Country” – feel – think – invoke “Yingadi”

**Gather again around the table and the Yingadi Message Stick is passed from member to member –
each one speaking the one word that is felt when given the Message Stick...**

**(Some words that came to mind: Country – Strong – Community – Future – Past – Old People –
Vision)**

At the end of each Meeting the Leaf will be returned to its Tree signifying the closing.
